LITERACY LEGACY FUND OF MICHIGAN

2018 ANNUAL REPORT

supporting a literate Michigan citizenry of all ages

Dear Donors and Friends,

The Literacy Legacy Fund of Michigan (LLF Michigan) is celebrating another banner year in supporting literacy-related grants and special projects! Through 2018, LLF Michigan has distributed approximately \$38,000 state-wide.

In 2018 the Board allocated \$9,600 to assist with a wide array of projects and activities through nine new grants and special projects, including a university scholarship for a third year.

For the first time, LLF Michigan hosted fundraising events in the Marquette area where we are based. The fundraiser in April and a second, in partnership with the Marquette Regional History Center, in November drew approximately 100 attendees at each event. (pp. 5-6) Consequently, we increased our visibility significantly in one area of this state and expanded interest in our fund. Local volunteers played a central role in the success of each fundraiser and we appreciate their time and talents. Funds raised allowed LLF Michigan to increase the number of awards allocated. Additional fundraising efforts are planned for 2019 in the Lowell area and in Marquette.

We recognize that none of this activity would happen without LLF Michigan's dedicated and generous donors, dedicated partners, and an increasing number of volunteers over the past years. We will need your loyal assistance going forward if we are to continue to respond meaningfully to the array of literacy needs in Michigan.

Please visit us on Facebook and LinkedIn. Contributions in honor of a relative, friend or colleague are gifts that keep on giving. While we appreciate any increase in a donor's financial gift, we recognize that any contribution is positive for our Michigan communities. We truly value your past and future support for a literate Michigan citizenry of all ages.

With appreciation,

Phyllis Aurich, C.J. Blough, Heidi Tester, Nancy Seminoff

Wayne State University College of Education
Literacy Legacy Fund of Michigan Annual Scholarship
in Honor of Dr. Jacqueline Tilles

Dr. Jacqueline Tilles served as an educator for 56 years, retiring in 2015 from Wayne State University where she was an Associate Professor of Reading, Language and Literature. Prior to WSU, she was on the faculty of Hunter College and previously served as a teacher in the Detroit

Public Schools. She is described as a “teacher’s teacher, helping her students to understand literature and how to engage students to appreciate a wide range of works, especially literature representing various ethnic groups”. SPRING 2018 AWARENESS AND FUNDRAISING EVENT

In April a sell-out capacity crowd of 100 participants celebrated *Literacy Lives* at the Barrel + Beam, a renovated historic former Marquette-area restaurant converted to a brewery. In this casual setting they learned about our first

Legacy Award, purchased raffle tickets for 14 baskets valued between \$50-\$140 each, and enjoyed hors d'oeuvres while sampling farmhouse ale. A special drawing included a one-night stay at a local bed and breakfast and dinner in downtown Marquette.

A looped slideshow provided an overview of 11 grants awarded in 2017 and early 2018. A brief program focused on our first Legacy Award recipient, the U.P. Children's

Museum for the *Third Thursday Literacy Night*.

Six local sponsors and 18 local businesses contributed to the event's success.

This event generated so much interest that it is being held again in Spring 2019 by popular request.

FALL 2018 FUNDRAISER

In November the Marquette Regional History Center (MRHC) C. Fred Rydholm Gathering Hall was the venue for *Read Between the Wines*, a partnership that featured presentations by local history authors, Tyler Tichelaar and Sonny Longtine, and actress Jessica Bays each of whom volunteered their time. Participants received a commemorative wine glass and entry into a drawing for a framed historical print.

Participants sampled and learned about wines that were paired with a variety of hors d'oeuvres and purchased raffle tickets for baskets each valued at \$75 or more.

This was the first partnership effort offered by the Marquette Regional History Center and Literacy Legacy Fund of Michigan.

These events increased visibility of the fund and contributed financially to supporting evidenced-based grants and special projects.
