2023 ANNUAL REPORT

Supporting a literate Michigan citizenry of all ages

Dear Donors & Friends,

Incredible things happen when people come together to support foundational skills that shape lives. Together we have made a positive impact locally and statewide in 2023, helping individuals of all ages improve their literacy through work centered on our mission.*

Over the last year, much has been accomplished through our continued partnership with the Northern Michigan University Center for Rural Health. We completed our second year as part of the National Rural Health Essay Contest encouraging high school age youth across the U.P. to discuss health topics. In addition, an Oral Health Literacy Initiative also has continued to educate various elementary students on the importance of dental hygiene using the book, *Curious George Goes to the Dentist*. This fun and unique project has not only inspired many children, but generated seeds of interest in other communities as well. We've also just begun a "Words Matter" project involving students at NMU exploring the impact of words on student efforts to seek out information to educate themselves on the flu vaccine. Stay tuned in 2024 for exciting updates!

LLF Michigan also continues to support Wayne State University students in a graduate or undergraduate program in teacher education. With a combination of LLF Michigan funds, including direct donor contributions to WSU, \$20,550 has been awarded to date to students through the fall 2023/spring 2024 academic year.

Our beloved Dolly Parton's Imagination Library continues to provide meaningful opportunities for families to read together and for children to explore literacy skills of reading, writing, listening, speaking, and thinking. We are providing books to enrolled children 0-5 years old in five communities through the tireless work of LLF Michigan leadership, volunteers, contracted support and donors like you. For example, more than 260 Marquette children benefited monthly from this program in 2023.

Our Legacy Grant to the Lowell Area Historical Museum continues annually. This immersion program includes all third-grade classes in the district and has received regional recognition.

The Bertha's Buddies correspondence project, initiated in 2021, continues to touch the lives of those adults who may receive limited correspondence. Cards were sent throughout the state two times this past year with a special message creating connection for 79 recipients.

A special Range Bank's Banking on Literacy "Hidden Talent" fundraising event, your individual gifts, and local sponsorships all helped us fulfill our mission in 2023. **If you have an interest in supporting our efforts in honor or memory of someone, or would like to ensure continued programming, please return the enclosed donation envelope or visit www.literacylegacyfund.org to donate.**

With gratitude,

LLF Michigan Board of Directors

**Our Mission: To support the improvement of a literate Michigan citizenry for all ages through the distribution of charitable funds to enhance literacy efforts.*

Inspiring the Imagination

DOLLY PARTON'S IMAGINATION LIBRARY

Dolly Parton's Imagination Library is a book gifting program that mails one new book per month to each child from birth to age five with no cost, obligation, or income requirement for the child's family. All preschool age children (birth to age 5) in the community are eligible to receive one age-appropriate book monthly in the mail addressed to the child while enrolled in the program. Parents or guardians must register online or submit an official registration form completed by an authorized adult to enroll the child in the program. The Dollywood Foundation is responsible for selecting, processing, mailing and managing the distribution of over 2.8 million books a month throughout the United States and four other countries.

The Literacy Legacy Fund of Michigan is the Program Partner (aka Affiliate) for several Dolly Parton's Imagination Library programs in Marquette and Alger Counties. It is both the Program Partner, and Local Champion and Sponsor, for Marquette 49855. In the Marquette 49855 area, LLF Michigan is responsible for paying \$26 per child annually for the cost of the books and their mailing, maintaining the database, and marketing the program. Many fundraising initiatives including donor mailings and annual poster are used to help raise funds for this program. At this time, it is serving an estimated 260 children annually by ensuring free books in Marquette 49855.

LLF Michigan also provides guidance and support to other programs in the U.P. under its oversight. In addition to Marquette 49855, current programs with LLF Michigan as the Program Partner include:

- AuTrain-Onota Public Schools
- Burt Township Schools
- Ishpeming Public Schools No. 1
- Munising Public Schools

Spotlight Award

WAYNE STATE UNIVERSITY COLLEGE OF EDUCATION SCHOLARSHIP IN HONOR OF DR. JACQUELINE TILLES

Dr. Tilles's love of reading started before she was old enough to go to school. In order to fulfill her desire of learning to read, she had to change schools at age five. Persistence paid off; she never let go of her Mama's promise that in school they will teach you to read. That promise was so powerful that it provided a foundation for her life - a foundation that continues to this very day. Dr. Tilles became an elementary school reading teacher, a middle school English teacher, and an Associate Professor of English Education, Reading, Language, and Literature at Wayne State University. We are proud to honor Dr. Tilles through this scholarship.

Dr. Jacqueline Tilles.

Our 2023 recipients are Brianna Coffman who is pursuing a master's degree in Elementary Education with a major in Social Studies and Mariela N-Tyler who is pursuing a master's in Secondary Education with a major in Spanish. Since 2016, this scholarship has provided 14 students with financial assistance. Through the fall 2023/spring 2024 academic year, a total of \$20,550 in scholarships has been awarded by donors and LLF Michigan combined to date.

Pictured left to right, Nancy Seminoff, LLF Michigan Founder and President; Joye Clark, Director of Major Gifts, WSU College of Education Development Office; and Dr. Denise Taliaferro Baszile, Professor and Dean, WSU College of Education, attended the WSU Scholarship Reception on October 16, 2023.

Creating Connection

BERTHA'S BUDDIES CORRESPONDENCE PROGRAM

Bertha's Buddies is a special correspondence project sponsored by the Literacy Legacy Fund of Michigan. The intent is to bring joy into the lives of adults, usually, but not limited to senior citizens who may not receive an abundance of personal mail during the year.

Two special mailings were conducted in 2023 featuring cheerful cards with stickers and a positive message. Each card notes the person recommending the recipient to receive a card. LLF Michigan encourages the community to nominate those who may benefit from such correspondence by reaching out to the LLF Michigan office.

This project, launched by the Board in February 2021, was initiated in memory of Bertha Wiseman, mother of the LLF Michigan founder. Bertha loved to send cards to those who were often alone, and she enjoyed receiving cards as well.

Banking on Literacy

HIDDEN TALENT SHOW

Range Bank hosted a special Banking on Literacy: Hidden Talent Show event on April 19, 2023, at 5:30 pm at the Masonic Theater in Marquette. The event featured a talent show format with local celebrities and community members in disguise highlighting their hidden talents. All proceeds for this event benefited Dolly Parton's Imagination Library 49855, a program that provides free books to children ages 0 to 5 in the Marquette area. Range Bank has hosted a Banking on Literacy event annually to support LLF Michigan and Dolly Parton's Imagination Library for three years.

Literacy Legacy Fund of Michigan President and Board Chair Nancy Seminoff accepted a donation from Range Bank from its Banking on Literacy: Hidden Talent Show in April 2023.
